Article II of the Constitution of the *North Dakota Water and Pollution Control Conference*

The objectives of this Conference shall be: the advancement of the knowledge of design, construction, operation and management of water, wastewater systems, and stormwater systems; the promotion and encouragement, through annual meetings or otherwise, of an exchange of information and experience among its membership; the promotion and encouragement of the protection of public health and improved environment through the construction and efficient operation of water supply, wastewater treatment facilities and stormwater treatment; and the promotion of water, wastewater, and stormwater system operator education and certification programs.

Thanks for attending

Efficiency. Simplicity. Experience.

Keeping water safe & clean for growing communities.

Recognized water engineering expertise in:

- Water supply, storage and distribution systems
- Surface and ground water treatment facilities
- Preliminary engineering reports and facility plans
- Waste system modeling and analysis
- Waste water collection, transmission and treatment facilities
- Capital cost and funding analysis

WHAT'S THE VALUE OF WATER?

When nature calls, you want open stalls.

Most of us never think about what happens to the water we flush. Luckily, we don't have to. Pumps, treatment plants, and pipes remove and clean wastewater so it can be returned to the environment or safely reused.

Clean water systems are one of the greatest public health achievements in history, but they're aging. They need investment to continue delivering life's most essential resource. All day, every day.

Water—Essential. Reliable. Invaluable.

Learn how water works for you. Visit TheValueofWater.org.

#ValueWater

Presented in cooperation with the Value of Water coalition

THE BEST WASTE WATER / WATER TREATMENT SOLUTIONS COME FROM THINKING OUTSIDE THE BOX.

For custom applications for your plant, look for an experienced partner.
One who can think outside the box and do what's right for you. **All it takes is one call.**

WHAT CAN WE DO FOR YOU?

- Full service SCADA control system integration
- Reporting software for insights and trends
- Remote access configuration
- UL 508A/698A Panel Shop
- Alarm notification configuration

2015 Projects of the Year Awards

Presented by North Dakota American Public Works Association Chapter

The N.D. Chapter of the American Public Works Association is soliciting nominations for the “2016 Project of the Year” Awards.

Eligible are any public works project defined as the physical structures and facilities that are developed, owned, and maintained by public agencies to provide water, power, waste disposal, transportation, and similar public services in accordance with established public policy.

Criteria to be used in the selection process include demonstrating good construction techniques, safety, community relations, protecting the environment, unusual accomplishments, and additional conditions deemed important to the public works agency.

Award recipients and their engineer will receive an APWA “Project of the Year” recognition plaque presented at the Banquet of the N.D. Water and Pollution Control Conference scheduled to be held in Minot on October 12, 2016. Each project is eligible for nomination for the National APWA “Public Works - Project of the Year” competition. An award will be presented to projects serving communities of less than 5,000 and to communities serving more than 5,000 people. Nominations are due by May 2, 2016.

Submissions for consideration or questions concerning nominations should be addressed to:

**You need a specialized
water solution.
We have very specialized
water engineers.**

When you need a water engineering solution, you need Ackerman-Estvold. Our engineers are experts in their specialty, giving your project the very best thinking. That expertise allows us to design the right solution for water distribution, water & waste water treatment, sanitary sewer, and storm sewer systems. **We're setting the standard for engineering in North Dakota.**

OFFICIAL BULLETIN, October-December 2014

Minutes of the 87th Annual Meeting of the North Dakota Water and Pollution Control Conference

The 87th Annual Meeting of the North Dakota Water and Pollution Control Conference (NDWPCC) was held October 6, 7, and 8, 2015 at the Ramkota Hotel, Bismarck, North Dakota. The annual meeting/convention was held jointly with the North Dakota Chapter of the American Public Works Association (NDCAPWA), the North Dakota Water Environment Association (NDWEA), the North Dakota Section of the American Water Works Association (NDAWWA), and the North Dakota Chapter of the North American Stormwater and Erosion Control Association (NASECA-ND).

The NDAWWA sponsored a preconference Small System Operator Training workshop Monday, October 5, 2015, from 8:00 a.m. to 5:00 p.m. at the Environmental Training Center (ETC), 2639 East Main Avenue, Bismarck, ND. The NDAWWA Education and Research Committee held a preconference meeting at 7:30 p.m. Monday in the Governor's Room of the Ramkota Hotel.

Board meetings were held Tuesday, October 6, 2015 by NDAWWA at 7:30 a.m. in the Governor's Room, NDCAPWA at 8:00 a.m. in Room 2160, NDWEA at 8:00 a.m. in Room 3130, and NASECA-ND at 8:00 a.m. in Room 3160. During the Tuesday meetings, the associations planned their business meetings, listened to committee reports, accepted volunteers for committees, and conducted other business. Additional NDAWWA meetings were held following the joint board meeting. Association business meetings were held Tuesday, October 6 (NDCAPWA); Wednesday, October 7 (NDWEA and NASECA-ND); and Thursday, October 8, (NDAWWA and NDWPCC).

North Dakota Department of Health (NDDH) operator certification exams were written Tuesday, October 6, 2015, from 7:30 a.m. to 11:30 p.m. in the Heart Room. Wastewater operator pH certification training was held from 9:00 a.m. to 11:00 a.m. at the ETC. Registration opened at 8:00 a.m., Tuesday, October 6, 2015, with Patty Carman, Darlene Germain, and Ivana Striebel welcoming all attendees. A total of 409 preregistered with final attendance being 394.

The joint board of directors of the NDWPCC, NDCAPWA, NDWEA, NDAWWA, and NASECA-ND met at 9:30 a.m., Tuesday, October 6, 2015 in the Governor's Room with NDWPCC President Dan Jonasson presiding. The meeting was called to order at 9:41 a.m. with the following board members and guests in attendance: Mike Brisben,

David Bruschwein, Tracy Eslinger, Joe Ferguson, Bill Gefroh, Rick Gillund, Fred Goetz, Dale Heglund, Jeff Heintz, Jeff Hruby, Barry Johnson, Dan Jonasson, Dennis Larson, Jim Lennington, Wei Lin, Seth Lynne, Jennifer Malloy, Lance Meyer, Eileen O'Neill, Warner Palermo, Tim Paustian, Mark Peterson, Michael Quamme, Meredith Quinn, Reed Schwartzkopf, Jeannie Schultz, Dustin Scott, Dean Sletten, Matt Sperry, Jason Sorenson, Don Tucker, Nancy Sullivan, Sarah Volk, Jess Wagner, Don Wald, Greg Wavra, and Gary Zuroff.

For the first item of business President Jonasson entertained a motion to dispense with reading of the minutes from the May 19, 2015 joint board meeting at the Ramkota Hotel and approve the minutes mailed to board members and published in the 2015 Conference issue of the Official Bulletin. Rick Gillund so moved. Lance Meyer seconded, and the motion carried.

Next, President Jonasson called for the treasurer's report. Mike Brisben read the January 1, 2015 to August 31, 2015 NDWPCC financial report, which showed a net income of \$30,320.83 and total assets of \$151,512.21. President Jonasson asked for any discussion. Hearing none, President Jonasson called for a motion to accept the treasurer's report. Seth Lynne so moved. Dale Heglund seconded, and the motion carried.

Next, President Jonasson called for old business. Mr. Brisben reported that tentative dates October 22, 23, and 24, 2019 had been reserved at the Bismarck Event Center with rental fees of \$5,500.00. Mr. Brisben reviewed other tentative dates for 2019 and reported that dates for the annual NDWPCC had been reserved through 2024.

Next, President Jonasson called for a report on the NDWPCC website. Michael Quamme and Sarah Volk stated that no progress had been made. Mr. Quamme indicated he would follow up with the health department to see what was needed. Ms. Volk noted that there was a new web person at AE2S that could be contacted.

Next, President Jonasson called for a report on the AWWA YP poster competition. Mr. Quamme reported that the competition was scheduled for 8:00 a.m. to 11:00 a.m., Wednesday, October 7, 2015 in the registration area outside the exhibit hall.

Continuing with old business, President Jonasson called for a report on the YP reception. Ms. Volk noted the reception would be at Fiesta Villa from 7:00 p.m. to 9:00 p.m. and that 20-25 attendees were expected.

President Jonasson called for any other old business. Hearing none, President Jonasson asked for volunteers for the nominating committee. Seth Lynne, Lance Meyer, and Dean Sletten agree to serve on the committee and to announce the 2015/2016 slate of officers at the Thursday, October 8, 2015 NDWPCC business meeting.

Next, President Jonasson asked for volunteers for the auditing committee. Jess Wagner, Joe Ferguson, and Reed Schwartzkopf agree to review the 2015 NDWPCC financial report prior to the January 2016 joint board meeting.

Next, President Jonasson call for nominations for life membership to be voted on at the Thursday, October 8, 2015 NDWPCC business meeting. Fred Goetz nominated Hazel Sletten from the city of Grand Forks. President Jonasson called for any other nominations.

Hearing none, Mr. Brisben reported on the 2015 conference activities which included a preconference Small System Operator Training workshop, the annual golf tournament, facility tours, three concurrent sessions, the exhibitor program, the AWWA YP poster competition, and the awards banquet.

Next, President Jonasson asked that members consider topics for the 2016 spring training sessions and the fall conference for the January 2016 joint meeting.

President Jonasson asked for any other new business. Jeff Hruby noted that the spring 2016 Stormwater Conference would be in Fargo and that a date and site would be decided on shortly.

Hearing no other new business, President Jonasson called for a motion to close the meeting. Lance Meyer so moved. Seth Lynne seconded, and the meeting adjourned at 10:00 a.m.

Water samples for the 24th annual water taste test, sponsored by NDAWWA, were accepted throughout the day Tuesday with seven public water systems competing. The Tuesday luncheon and NDCAPWA Business meeting were held in the Courtyard with NDCAPWA President Lance Meyer presiding. Bismarck Mayor Mike Seminary welcomed all attendees on behalf of the city and Dan Jonasson, President, NDWPCC, welcomed all on behalf of the joint board of directors. Chuck Williams, Director Region 6, APWA, updated the members on APWA activities.

The annual golf tournament was held at the Prairie West Golf Course in Mandan, with Sarah Volk and Steve Himmelspach handling local arrangements.

The Tuesday afternoon concurrent sessions started at 1:30 p.m. with Wei Lin, Director, NDWPCC; Jess Wagner, Past President, NDWEA; and Michael Quamme, Vice President, NDWEA; moderating. The three sessions were held in the Heart, Sheyenne, and Cannonball Rooms of the Missouri Ballroom of the Ramkota Hotel.

Tuesday's topics included:

- "SWPP Supplemental Raw Water Intake" - Jim Lenington, Sr. Project Manager, Bartlett & West.
- "Revised Total Coliform Rule" - Jeni Walsh, Environmental Scientist, ND Department of Health (NDDH).
- "RTCR Sample Site Plans" - Josh Seerup, Environmental Scientist, ND Department of Health (NDDH).
- "RTCR Level 1 and Level 2 Assessments" - Bob Markhouse, Environmental Scientist, ND Department of Health (NDDH).
- "Asset Management - An Operator's Perspective" - Chris Sheridan, Operations and Maintenance Program Advisor, HDR.
- "Solutions for Ammonia Removal in Smaller Systems" - DelRon Peters, Senior Wastewater Project Manager, HDR.
- "Fog Removal Methods" - John Kouba, Senior Engineer, Wenck Associates.
- "NDPDES and Biosolids Permits" - Sarah Waldron, Environmental Scientist, and Patrick Schuett, Environmental Scientist, NDDH.
- "Nutrient Recovery for Irrigation" - NDSU WEFTEC Design Team, AWWA/WEF Student Chapter.
- "Infrastructure Update City of Bismarck" - Mel Bullinger City Engineer; Keith Demke, Director Utility Operations, and Jeff Heintz, Director of Public Works; City of Bismarck.

Fresh thinking. Practical solutions.

www.ApexEngGroup.com | info@ApexEngGroup.com

- “Balancing Rapid Development with Floodplain, Regional Stormwater and Environmental Management in Western ND” - Jon Lefers, Water Resource Project Manager, AE2S.
- “Fargo Project” - Jeff Hruby, Water Resource Practice Leader, AE2S.
- “NDDOT Stream Diversion” - Matt Sperry, Environmental Science Administrator, ND Department of Transportation.

The 3:00 p.m. break was held in the Courtyard with all breaks sponsored by the business firms, vendors, and commercial suppliers listed in the program and on the poster located next to the registration table. A Tuesday night Student/YP reception was held at Fiesta Villa from 7:00 p.m. to 9:00 p.m. and a Tuesday night buffet was held from 5:00 p.m. to 7:00 p.m. in the Courtyard.

Early setup for the 27th annual exhibitor program was from 3:00 p.m. to 10:00 p.m. on Tuesday in the Dakota Ballroom. Late setup was from 7:00 a.m. to 7:30 a.m. on Wednesday, October 7, 2015. Display hours were from 7:30 a.m. to 11:30 a.m. with 67 firms/suppliers reserving 75 booths. A breakfast buffet sponsored by the exhibitors was held from 8:00 a.m. to 10:00 along with a breakfast buffet poker game.

Poker hands were turned in at the NDWEA booth and the registration table, with winners announced at the Wednesday, NDWEA business meeting. Poker Dealers included Ackerman-Estvold, AE2S, Apex Engineering Group, Interstate Engineering, KLJ, Moore Engineering, and Stantec Consulting Services. The following business firms, suppliers, and associations participated in the exhibitor program: NDAWWA; NDCAPWA; NDWEA; NASECA-ND; Widseth Smith Nolting; GPK Products; HD Supply Waterworks; Ferguson Waterworks; Dakota Pump & Control; Vessco, Inc.; Electric Pump, Inc.; Engineering America; Apex Engineering Group; Thein Well Co.; Moore Engineering, Inc.; AE2S; Ackerman-Estvold; Bolton & Menk, Inc.; Bartlett & West, Inc.; Interstate Engineering; S. Roberts Company; Hawkins, Inc.; ND Rural Water Systems Association; EJ Iron Works; NDSU/NDLTAP; America AVK; HDR Engineering, Inc.; Integrated Process Solutions; Sanitation Products, Inc.; Northern Pipe Products; Short-Elliott-Hendrickson, Inc.; Wells Concrete; Kadrmas, Lee & Jackson; Leggette, Brashears & Graham, Inc.; Kodru Equipment, Inc.; Fischer Harris & Associates; Tnemec Co/Coating Resources; Veit & Company, Inc.; MVTL Laboratories, Inc.; Swanson Equipment; ESS Brothers and Son's Inc.; Treatment Resources, Inc.; Brock White Co.; Quality Flow Systems, Inc.; Tonka Water; DSG Waterworks; Parsons Engineered Products; Tech Sales Co.; Pipeline Plastics, LLC; Northern American Specialty Products; General Repair Service; Metering and Technology Solutions; Larson Data Communications, Inc.; Utility Service Co., Inc.; KLM Engineering, Inc.; Granse/Trio Sales, LLC; Smith & Loveless; Stantec Consulting Services; Bank of North Dakota; Great Northern Environmental; Van Bergen & Markson, Inc.; SRF Consulting; Advanced Drainage Systems; Advanced Pump & Equipment, Inc.; and DN Tanks.

The North Dakota Operator Certification Advisory Committee met Wednesday in Room 2160. The committee meets annually at the conference and along with the NDDH, provides support for the North Dakota Water and Wastewater Operator Certification and Training Program.

Bismarck-Mandan facilities tours were Tuesday and Thursday afternoon from 2:00 p.m. to 4:00 p.m. with 16 attendees taking tours.

The NDWEA and NASECA-ND joint luncheon and business meetings were held at 12:00 noon in the Courtyard with NDWEA President Karl Rockeman and NASECA-ND President Jeff Hruby presiding. Guest speaker Eileen O'Neill, Executive Director, WEF provided an update on WEF activities.

America's Employee-Owned Leader in Liquid Storage Tank Solutions

The Wednesday concurrent sessions started at 1:30 p.m. with Mike Berg, Trustee, NDAWWA; Gary Zuroff, President-Elect, NDWEA; and Lance Meyer, President, NDCAPWA; moderating.

- “Trihalomethane Reduction in Water Storage Tanks” - Doug Whitney, Senior Engineer, KLJ.
- “Gimmicks and Gadgets: Water Treatment Operation and Maintenance Solutions” - Rob Dickson, City of Lincoln; Mark Paddock, City of Minot; Jim Kershaw and Bill Pifer, City of Bismarck.
- “Traditional Low Density and High Density Lime Slaking Comparison” - Ron Plank, Material Handling Specialist, Merrick/ConSe Co.
- “Wastewater Treatment Disposal in Western ND” - Sarah Waldron, Environment Scientist, NDDH.
- “Wastewater Treatment and Collection Panel” - Karla Olson, Apex Engineering Group; Don Tucker, City of Fargo; Don Wald, City of Wahpeton; and Gary Zuroff, City of Dickinson.
- “Don’t Flush Trouble” - Bill Gefroh, Lab and Pretreatment Manager, City of Bismarck.
- “Fargo Broadway Forcemain Project” - Jared Heller, Assistant Operations Manager, AE2S and Jim Hausauer, Wastewater Utility Director, City of Fargo.
- “Situation Awareness Improvements Using GIS” - Darrel Nucech, GIS Coordinator and Gary Stockert, Emergency Manager, City of Bismarck.
- “LED Street Light Change Outs and New Installations” - Linda Oster, Engineering Department and Paul Lies, Traffic Signal/White Way Lights Supervisor, City of Bismarck.
- “Minot 55th Street Overpass” - Steven Eberle, Vice President/COO, Ackerman-Estvold.
- “Minot 6th Street Underpass” - Ryan Ackerman, President/CEO, Ackerman-Estvold.

Attendees met at 3:00 p.m. in the Courtyard for an afternoon break.

Bill Gefroh receiving the Hatfield Award from Eileen O'Neill.

A social hour was held from 5:30 p.m. to 6:30 p.m. in the Courtyard prior to the annual awards banquet. The following companies graciously sponsored the social hour, door prizes, coffee breaks and golf tournament: Ackerman-Estvold; AE2S; Apex Engineering Group; Bartlett & West; Bolton & Menk, Inc.; DSG Waterworks; EJ Iron Works; Electric Pump, Inc.; Engineering America; Ferguson Waterworks; GPK Products; Hawkins, Inc.; HD Supply Waterworks; Houston Engineering, Inc.; Hughes Lift Station Service, Inc.; Kadrmas, Lee & Jackson; Kemper Construction Co.; KLM Engineering, Inc.; Metering & Technology Solutions; Moore Engineering, Inc.; MVTL Laboratories, Inc.; Short-Elliott-Hendrickson, Inc.; Stantec Consulting Services; Team Lab; Van Bergen & Markson, Inc.; and Vessco, Inc.

The annual banquet and awards ceremony was held in the Dakota Ballroom with 270 members and guests in attendance. Scott Wild served as master of ceremonies and Strolling Strings provided the entertainment. Next, Mr. Wild introduced the officers and dignitaries at the head table and called on Kevin Nelson to deliver the invocation.

After the dinner, Mr. Wild called on the visiting dignitaries to give out the 2015 awards. Warner Palermo, Vice President, AWWA presented the Fuller Award to Duane Friesz, Water Treatment Plant Superintendent, City of Mandan and the Operator Meritorious Award to Leo Murr, Water Treatment Plant Superintendent, City of Wahpeton. Next, Qigang Chang, Acting Chair, NDAWWA, Young Professionals Committee, announced the winners of the poster competition and Young Professional of the Year Awards. Ryan David was the winner of the poster competition and Dustin Dale was YP of the Year.

Next, Meredith Quinn, Chair-Elect, NDAWWA, announced that seven public water systems participated in this year’s water taste test with Valley City having the best tasting water. Charlie Vein, President, AE2S, drew the winners of the 14th annual Water for People raffle and announced that \$9,500, a new high, was raised from the raffle and golf sponsorships.

Next, Eileen O’Neill, Executive Director, WEF, presented Karla Olson, Apex Engineering Group, the Bedell Award and Bill Gefroh, City of Bismarck, the Hatfield Award.

Lance Meyer, President, NDCAPWA, announced the 2015 APWA Project of the Year Awards with R&T Water Supply Commerce Authority and AE2S receiving the small systems award and the City of Bismarck and Ulteig Engineering receiving the large system award.

Next, Mike Brisben, NDDH, presented Operators of the Year Awards to Kelly Jemtrud, Public Works Director, City of Velda; Barry Schulz, Chief Operator, Missouri West Water System; John Silvernail, Water and Wastewater Operator, City of Lisbon; and Dell Widmer, Water and Wastewater Operator, City of Kulm. Mr. Brisben also announced the winners of the golf tournament and golf prizes.

The annual public works directors and city engineers meeting was held Thursday, October 8, 2015, at 7:30 a.m. in Room 3160.

The three Thursday morning concurrent sessions started at 8:00 a.m. with Sarah Volk, Director, NDWPCC; Karla Olson, WEF Delegate, NDWEA; and Seth Lynne, President-Elect, NDWPCC moderating.

Thursday's topics included:

- "2015 Bridger Poplar Pipeline Release, Yellowstone River, Dawson County, MT" - Eugene (Gino) Pizzini, Drinking Water Section Supervisor, Montana Department of Environmental Quality.
- "Alternatives to Design-Bid-Build: Views from an Owner, Engineer, Contractor, and ND Department of Health" - Mark Peterson, City of Fargo; Wayne Gerszewski, AE2S; Darin Pflingsten, PKG Construction; and David Bruschwein, NDDH.
- "Water Supply, Treatment, and Distribution Challenges in West Fargo" - Chris Brundgardt, Public Works Director, City of West Fargo and Tim Paustian, Project Manager, Apex Engineering Group.
- "Capital Planning, The Easy Way" - Michael Lorenzo, Senior Project Manager and Darin Schaeffer, Project Manager, Bartlett & West.
- "Dickinson Wastewater Infrastructure Expansion" - Gary Zuroff, Public Works Director, City of Dickinson and Mike Berg, Project Manager, Apex Engineering Group.
- "Nutrient Roadmap" - Wei Lin, Civil Engineering Department, NDSU and Michael Quamme, Graduate Engineer, Apex Engineering Group.
- "Water and Wastewater System Sustainability" - Eric Volk, Executive Director, ND Rural Water Systems Association.
- "Regional Solution for the Ellsworth AFB, Box Elder, SD, and Area Developments" - Tracy Ekola, Principal and John Fisher, Wastewater Operations Leader, SEH.
- "Bismarck Odor Control Rehab" - Ken Weber, AE2S.
- "Revised Construction General Permits" - Dallas Grossman, Environmental Engineer, NDDH.

- "ND Construction Permit Roundtable" - Dallas Grossman, NDDH; Jeff Brummer, Anderson Western, Inc.; Brad Krogstad, KLJ; Matt Sperry, NDDOT; and Jeannie Schultz, AE2S.
- "Edgewood Sanitary and Stormwater Design" - Jeff Hruby, Water Resource Practice Leader, AE2S.
- "Management of South Bismarck's Stormwater System" - Scott Schneider, Operations Manager, Apex Engineering Group.
- "Municipal Stormwater Roundtable" - Dave Tuan, City of Williston; Linda Oster, City of Bismarck; Lance Meyer, City of Minot; Chad Zander, City of West Fargo; Reed Schwartzkopf, City of Jamestown; and Jeff Hruby, AE2S.

A break was held in the Courtyard at 10:00 a.m.

The joint business meetings and luncheon of the NDAWWA and NDWPCC were held at 12:00 noon Thursday, October 8, 2015, with NDAWWA Chair Dennis Larson and NDWPCC President Dan Jonasson presiding. Chair Larson called the NDAWWA meeting to order. Chair Larson provided the NDAWWA financial report and announced the slate of officers. Next, NDAWWA Director, Tim Paustian, announced the names of new operators who had become certified and operators who had achieved higher certification. The NDAWWA meeting adjourned at 12:27 p.m.

President Jonasson called the NDWPCC meeting to order at 12:28 p.m. As the first order of business, President Jonasson called for a motion to dispense with the reading of the minutes from the 2014 annual meeting in Fargo and approve the minutes as published in the Official Bulletin, October-December 2014, Volume 102, Numbers 1012. Lance Meyer so moved. Mel Bullinger seconded, and the motion carried.

Karla Olson receiving the Bedell Award from Eileen O'Neill.

Next, Mr. Brisben presented the 2015 NDWPCC treasurer's report, showing a net income of \$30,320.83 and total assets of \$151,512.21. President Jonasson, called for a motion to approve the financial report. Mel Bullinger so moved. Don Wald seconded, and the motion carried.

President Jonasson called for a motion to dispense with the reading of the resolutions and approve the resolutions as written and displayed at the registration table throughout the conference. Joe Ferguson so moved. Michael Quamme seconded, and the motion carried. Next, President Jonasson nominated Hazel Sletten for life membership. President Jonasson asked for other nominations from the floor. Hearing none, President Jonasson called for a motion to close nominations and the secretary be instructed to cast a unanimous ballot. Fred Goetz so moved. Joe Ferguson seconded, and the motion carried.

Next, President Jonasson called for a report from the nominating committee. Seth Lynne announced that Jacqueline Aucker and Dayna Morton had been nominated for incoming director and associate director respectively. President Jonasson called for nominations from the floor. Hearing none, President Jonasson called for a motion to close nominations and for the secretary to cast a unanimous ballot. Dean Sletten so moved. Lance Meyer seconded, and the motion carried.

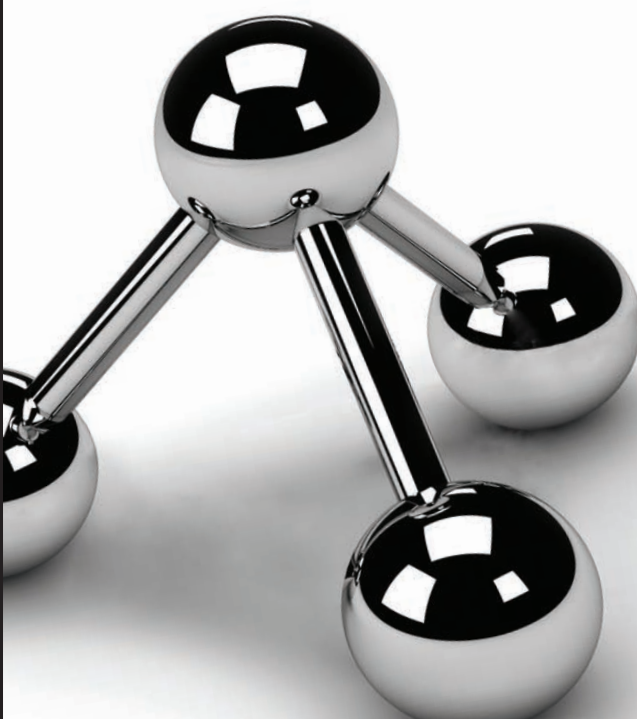

Next, President Seth Lynne presented outgoing President Jonasson the NDWPCC President's Service Award thanking him for his leadership and dedicated service.

President Lynne read the following slate of officers:

Seth Lynne, President
Joe Ferguson, President-Elect
Tracy Eslinger, Vice President
Mike Berg, Director
Wei Lin, Director
Sarah Volk, Director
Jacqueline Aucker, Director
Dayna Morton, Associate Director
Mike Brisben, Secretary-Treasurer
Dan Jonasson, Past President

President Lynne called for a motion to close the meeting. Michael Quamme so moved. Scott Schneider seconded, and the 87th annual meeting of the NDWPCC adjourned at 12:34 p.m., Thursday, October 8, 2015.

Respectfully submitted,
Mike Brisben
Secretary-Treasurer

ELEMENTS OF YOUR SUCCESS

Vision. Value. Passion. Integrity. Relationships. Attitude.

These elements make up the structure of AE2S. What does that mean to you? Extreme client service, trusted relationships, a shared vision for your future, and passion for every project. They all translate into your success.

Operator of the Year Awards

Thank you for your hard work!

The North Dakota Department of Health, in an effort to encourage proper operation and maintenance of water and wastewater systems, instituted an annual operator awards program in 1981 at the Annual North Dakota Water and Pollution Control Conference in Jamestown. This year marks the 35th anniversary of the awards program which has honored 188 operators and three military units (the U.S. Army Reserve, the ND Army National Guard, and the ND Air National Guard) for outstanding service.

The awards are based on:

1. Field and inspection reports.
2. Compliance with state and federal regulations.
3. Participation in the North Dakota Operator Training and Certification Program.
4. Participation in the North Dakota Water and Pollution Control Conference, North Dakota Chapter of the American Public Works Association, North Dakota Water Environmental Association, the North Dakota Section of the American Water Works Association, and the North Dakota Chapter of the North American Stormwater and Erosion Control Association.

Kelly Jemtrud – City of Velva

Kelly started with the city of Velva in 1994 and took over as Public Works Director in 1996. He oversaw the building of the new water treatment plant in 2005 and main street and sewer replacement in 2009. Kelly finds his job both challenging and interesting and has enjoyed working with three mayors and many commissioners. He is a certified Grade 02 Water Treatment and Grade 01 Water Distribution Operator.

Barry Schulz – Missouri West Water System

Barry began his career as the water and wastewater maintenance manager for the city of New Salem before joining Missouri West Water System as Chief Operator in 1995. He has received an “Outstanding Water Works Employee” award from the ND Rural Water Systems Association recognizing his exceptional work practices and his contributions to public health. He volunteers as a 4-H leader, fire chief and helps organize the Morton County Fair. In his spare time he enjoys time with his family, working with draft and quarter horses, organizing trail rides and wagon trains, and saddle club. Barry is a certified Grade 02 Water Treatment, Water Distribution, Wastewater Treatment, and Wastewater Collection Operator.

Dell Widmer – City of Kulm

Dell has served as the water and wastewater operator for the city of Kulm since 1995. He also works in the public works department, has been with the volunteer ambulance for several years, and organized and participated in Kulm's first alert tornado awareness program. Dell likes to fish, golf, snow mobile, and have coffee with the locals. He is a certificated Grade 1A Water Distribution, Wastewater Treatment, and Wastewater Collection Operator.

John Silvernail – City of Lisbon

John joined the city of Lisbon as a water treatment plant operator in 1992. His tenure included fighting numerous floods, the expansion of the new Lisbon Water Treatment Plant, installation of new lift stations, and several other water and sewer projects. He also assisted the street department working on roads and doing snow removal. In his spare time he enjoys golfing, bowling, reading and his favorite thing, spending time with his daughters. John recently retired as a certified Grade 03 Water Treatment, Grade 02 Water Distribution, Grade 02 Wastewater Collection, and Grade 01 Wastewater Treatment Operator.

ANNUAL OPERATOR TRAINING PROGRAM

The North Dakota Department of Health is pleased to announce the 56th Annual Professional Water and Wastewater Operator Training Program.

1. Objectives - These classes will fulfill the continuing education credit (CEC) requirement for certified operators. You will receive 12 CECs for each session attended. Roll will be taken during the sessions to verify attendance. Expect to hear presentations regarding regulations and how to avoid mistakes that can lead to non-compliance for your facility. This will include general operation and maintenance topics. The courses, however, are not geared specifically to prepare operators for certification exams.

2. Registration - Please preregister using the enclosed registration form, or complete your registration form online at <http://www.ndhealth.gov/mf/> and mail or fax to (701) 328-6206 the printed copy. You may attend both water and wastewater sessions. Please indicate a second choice when selecting class sessions. Please make copies if more than one operator will be attending. A \$20.00 registration fee payable to the North Dakota Water and Pollution Control Conference (NDWPCC) is required. This covers attendance at one or more sessions. A confirmation letter will be sent and must be presented at the time of registration. If you need to reschedule or cancel, please call Kelly Hochhalter at (701) 328-6628.

3. Certification exams - A separate application form is required. An application form and directions are included, please fill out completely, or complete your application form online at <http://www.ndhealth.gov/mf/> and mail to: ND Department of Health, 2639 E. Main Ave., Bismarck, ND 58501. Incomplete applications will be returned. Do not use previous applications. Signed applications must be received by the certification officer 15 DAYS before the examination date. Applications received after the deadline will be rejected. No walk-in exams will be allowed. Please make copies if more than one operator will be testing. Updated application forms will be available online only.

A. A photograph identification card is required to take exams.

B. A confirmation letter will be sent and must be presented at the time of testing.

C. If you need to reschedule or cancel, please call Craig Bartholomay at (701) 328-6626.

D. Please bring your own calculator and pencils.

E. Make your check for \$10.00 per exam, payable to the North Dakota Department of Health, do not mail. Make payment when you check-in prior to writing exams.

F. Results of the exams will be sent out after all of the training sessions are completed and after payment has been received for the exam(s).

4. Registration for training sessions and application for certification exams are separate. Registration and exam fees cannot be combined. Rescheduling training and/or exams will be based on availability. Class size and exam seating are limited. Rescheduling a training session does not automatically reschedule your exam.

5. Membership - A \$10.00 membership fee for the NDWPCC is optional. Membership includes the Official Bulletin and may be added to the total payment.

6. Location - All training sessions and certification exams will be held at the Environmental Training Center, 2639 East Main, Bismarck. Please park on the west or south side of the training center.

7. Chlorine Meter Training - (for applicable water operators) - This training is voluntary and will be offered prior to the water treatment and distribution sessions (see schedule). If you would like to participate please provide your own chlorine meter. For more information please call Bob Markhouse at (701) 328-6623.

8. pH certification - (for applicable wastewater operators) - This will be offered in conjunction with the wastewater treatment training sessions (see schedule). For more information on the wastewater pH certification or to see if you should attend please call Sarah Waldron at (701) 328-5237.

9. Sponsors -

- ND Department of Health
- ND Water and Pollution Control Conference
- ND Chapter of the American Public Works Association
- ND Section of the American Water Works Association
- ND Water Environment Association

10. Special needs - If you need special accommodations or more information, please call Mike Brisben at (701) 328-6622.

11. A block of rooms at the Ramkota Hotel, 800 South 3rd Street, (701) 258-7700, has been booked under Water and Wastewater Operator Training. If you elect to use the Ramkota Hotel, the rates are \$80.10 (single) and \$100.00 (double) plus tax.

Other hotels based on availability include:

AmericInn (701) 250-1000, \$80.10

Radisson Hotel (701) 255-6000, \$80.10
Ramada Limited Suites (701) 221-3030, \$100.00
Staybridge Suites (701) 223-1499, \$109.00
Super 8 (701) 255-1314, \$69.00

Please note: Taxes will be added to the above rates.

12. Class Schedule:

Water Treatment and Distribution - in Bismarck.

February 29, March 1, and 2, 2016

March 7, 8, and 9, 2016

March 21, 22, and 23, 2016

March 28, 29, and 30, 2016

Check in time for registration is 12:00 - 1:00 p.m. on February 29th, March 7th, 21st, and 28th.

Exams are scheduled from 12:00 - 4:00 p.m. on March 2nd, 9th, 23rd, and 30th.

Chlorine Meter Training - (for applicable water operators)
February 29, March 7, 21, and 28, 2016 at 10:00 a.m.

Wastewater Treatment and Collection - in Bismarck.

April 11, 12, and 13, 2016

April 18, 19, and 20, 2016

Check in time for registration is 12:00 - 1:00 p.m. on April 11th and April 18th.

Exams are scheduled from 12:00 - 4:00 p.m. on April 13th and April 20th.

pH Certification - (for applicable wastewater operators)
April 11th and 18th at 10:00 a.m.

13. Topics in Water Treatment and Distribution may include:

SDWA Update, Operator Certification, Overview of Water Treatment Rules, BacT Update, Stage I & II Disinfectants/Disinfection By-products Rules, Filtration, Chlorine Meters and Measurements, Disinfection of Pipes and Reservoirs, Fire Hydrants, Groundwater Rule, Lead and Copper Rule, Math, Cross Connections, Pumps, System Security, Fluoridation, Well Head/Source Water Protection, and others.

14. Topics in Wastewater Treatment and Collection may include:

Wastewater Basics, History of Wastewater Treatment, Troubleshooting, Physical Aspects of Lagoons, Wetland Systems, Microbiological Life in Ponds, Collection Systems, Operator Certification, Math, Discharge Permits, Lift Station Rehabilitation, Stormwater Update, Pond Construction, and others.

15. All operators working in public water treatment and/or distribution systems which serve a population of 3,300 or less are eligible for reimbursement. Please pick up the appropriate forms during the training sessions. After payment to the North Dakota Water and Pollution Control Conference and/or state is made, you may apply for reimbursement.

16. The 2016 Registration Form, Application for Operator Certification exams, and frequently asked questions can be located by clicking on calendar and publications on the Division of Municipal Facilities website at: <http://www.ndhealth.gov/mf/>.

17. Questions:

Regarding training sessions, call Mike Brisben at (701) 328-6622.

Regarding exams, call Craig Bartholomay at (701) 328-6626.

Regarding chlorine meter training, call Bob Markhouse at (701) 328-6623.

Regarding pH certification, call Sarah Waldron at (701) 328-5237.

**APWA
2016 PROJECT OF THE YEAR
NOMINATIONS**

The ND Chapter of the American Public Works Association is soliciting nominations for the **“2016 Project of the Year” Awards**.

Any Public Works Project defined as the physical structures and facilities that are developed, owned, and maintained by public agencies to provide water, power, waste disposal, transportation, and similar public services in accordance with established public policy are eligible.

Criteria to be used in the selection process include demonstrating good construction techniques, safety, community relations, protecting the environment, unusual accomplishments, and additional conditions deemed important to the public works agency.

Award recipients and their Engineer will receive an APWA “Project of the Year” recognition plaque presented at the Banquet of the ND Water and Pollution Control Conference scheduled to be held in Minot on October 12, 2016. Each project is eligible for nomination for the National APWA “Public Works - Project of the Year” competition. An award will be presented to projects serving communities of less than 5,000 and to communities serving more than 5,000 people. Nominations are due by May 6, 2016.

Submissions for consideration or questions concerning nominations should be addressed to:

Jeff Heintz

NDCAPWA MEETING MINUTES

By: Rick Gillund

The regular meeting of the NDCAPWA Board of Directors was called to order by President Lance Meyer at 8:00 AM, with the following members and guest present: Barry Johnson, Chuck Abel, Rick Gillund, Dustin Scott, Jeff Heintz, Jasper Klein, Region 6 Director Chuck Williams, Chapter Membership Manager Brad Patterson.

Barry Johnson moved to approve the Minutes, seconded by Jeff Heintz. Motion carried

Jeff Heintz moved to approve the Treasurer's report, seconded by Dustin Scott. Motion carried.

Delegate Report

Lance Meyer attended the Fall Conference in Phoenix, AZ and stated that they are changing the congress to PWX. He also mentioned he is on the Leadership of the Future committee. They trying to get the YP group more involved and would like to have additional training for the mid-level groups. Some ideas they had were Backhoe and Snow plow rodeo for the operators. Chuck Williams mentioned that they might have a National Snow Rodeo and a traveling training session with LTAP that would go out to the different cities.

Old Business

Lance Meyer mentioned when he was at the congress that we need to update our website, he stated that he will handle doing the updates that are needed.

New Business

Projects of the Year winners:

5000 and Larger (6th Street Parking Ramp in Bismarck)

5000 and Smaller (R & T Well Expansion)

Chuck Abel has the awards that will be presented later at the Conference.

Rick Gillund & Chuck Abel presented the 2016 Budget. Chuck Williams updated us on changing our fiscal year to meet with the Nationals fiscal year. Our fiscal year starts January 1 to December 31st as the Nationals is July 1 to June 30th t. Discussion followed on the different options we have on how can change to meet with the Nationals fiscal year. Also should we keep our Treasurer for two years instead one year like we do now. Dustin Scott moved to table the 2016 Budget until the January 2016 meeting. Barry Johnson seconded. Motion carried.

President Meyer appointed a committee of three (Rick Gillund, Barry Johnson, Chuck Abel) to help find someone to fill the spot left open by Bobby Nasset. He mentioned that Jasper Klein from AE2S would accept the position. President Meyer presented the following slate of officers for 2016:

Jeff Heintz, President

Rick Gillund, Vice President

Dustin Scott, Secretary/Treasurer

Chuck Abel, Executive Treasurer

Lance Meyer, Delegate

Lance Meyer, Past President

Eric Gilbertson, Director

Barry Johnson, Director

Bobby Nasset, Director

Brad Patterson updated us on what is going on at the National level. He stated he is here as a resource for our chapter. One thing he brought up was using our older member and getting them to volunteer their time to the chapter, as they might have more time to do that. Right now we have 117 members. One thing would could do is get our name out to the Trade/ Vo Tech schools and see what interest is out there.

Jeff Heintz moved to adjourn, seconded by Barry Johnson. Motion carried

Meeting adjourned at 9:20 AM

Respectfully,
Rick Gillund

NDCAPWA Business Meeting Minutes

By: Rick Gillund

President Lance Meyer called business meeting of the NDCAPWA to order October 6, 2015 at 11:45 AM.

Rick Gillund moved to dispense of the reading of the minutes, Barry Johnson seconded. Motion carried.

Rick Gillund read the financial report for 2015

New Business

President Meyer went thru the proposed bylaw changes from council of chapters and how we will use the template from National. Dale Heglund moved to approve, seconded by Mel Bullinger. Motion carried.

President Meyer mentioned that any projects can be submitted to any board member for consideration for Project of the Year Awards (Populations of 5000 and Larger, 5000 and Smaller)

PWX will be in Minneapolis in 2016

President Lance Meyer presented the slate of officers for 2016:

Jeff Heintz, President
Rick Gillund, Vice President
Dustin Scott, Secretary/Treasurer
Chuck Abel, Executive Treasurer
Lance Meyer, Delegate
Lance Meyer, Past President
Eric Gilbertson, Director
Barry Johnson, Director

President Meyer asked three times for nominations from the floor for the open director position. No nominations were given and the two open positions will be appointed at the next executive committee meeting.

Al Grasser moved to approve 2016 officers, Mel Bullinger seconded. Motion carried

President Jeff Heintz presented outgoing President Lance Meyer with a plaque, pin and certificate for his year of service to the chapter.

President Heintz called for a motion to close the meeting. Lance Meyer so moved. Mel Bullinger seconded, meeting adjourned.

Respectfully,
Rick Gillund, Secretary

Minutes of the Business Meeting North Dakota Section of AWWA October 8, 2015

The Business Meeting of the North Dakota Section of the American Water Works Association was held at the Ramkota Inn of Bismarck, North Dakota, on October 8, 2015.

Mr. Dennis Larson called the meeting to order at 12:15 p.m. and recognized the head table, Section Officers, and Trustees.

The minutes of the October 14, 2014, Business Meeting were published in the 2014 Post-Conference issue of the Official Bulletin. Mr. Larson asked for any corrections to the minutes. There were none. Mr. Rick Gillund moved to approve the minutes, and was seconded by Mr. Fred Goetz. Motion carried.

Mr. Larson presented the Treasurer's Report. The Section had as of October 5, 2015, \$34,800.17 in checking and money market accounts, endowments and reserve of \$84,393.14, and no liabilities. Total assets for the Section are \$119,193.31. Mr. Mel Bullinger moved to accept the Treasurer's Report and Mr. Wade Hesch seconded the motion. Motion carried.

Mr. Larson presented the Audit Committee results of the Section financial accounts. Mr. Larson reported no discrepancies were found in the financial accounts for 2014 and all appeared to be in order. Ms. Meredith Quinn moved to accept the Audit Committee Report and Ms. Sarah Volk seconded the motion. Motion carried.

Mr. Larson introduced each of the Board of Trustee candidates. Nominees for trustee are Mr. Jeff Bryson and Mr. Mark Peterson. Mr. Greg Wavra moved to have the two nominees fill the two trustee vacancies. Mr. Wade Hesch seconded the motion. The motion carried.

Mr. Tim Paustian presented the Operator Certification awards to new operators or operators that increase their certification level within the past year that are members of the North Dakota Section. Awards were presented to Jeff Bryson, Daniel Haman, Nick McNelis, Mark Paddock, Tyler Palmer, John Peterson, Jeremy Sheeley, Jeff Viniard, Matthew Weaver, and Chris Weiner.

There was no other unfinished business.

There was no new business.

Mr. Larson thanked everybody for their support and help during his tenure as chair. He introduced Ms. Meredith Quinn, incoming Section Chair. Ms. Quinn thanked Mr. Larson for the work that he accomplished during his time as Section Chair and presented him with a plaque.

Ms. Quinn adjourned the meeting at 12:25 p.m.

Respectfully Submitted

Minutes of the Board of Trustees Meeting

North Dakota Section of AWWA

October 6, 2015

The fall meeting of the North Dakota Section of the American Water Works Association was held at the Ramkota Inn of Bismarck, N.D. on October 6, 2015. Present at the meeting were Chair, Dennis Larson, Past Chair, Jason Sorenson; Chair-elect, Meredith Quinn; Director, Tim Paustian; Trustees, Wade Hesch, Mike Berg and Fred Goetz; Secretary/Treasurer, David Bruschwein; Assistant Secretary/Treasurers, Greg Wavra and Shawn Heinle; AWWA Vice-President, Warner Palermo; and AWWA Section Services Relationship Manager, Nancy Sullivan. Others attending the meeting were Shannon Fisher, Aaron Wellman, Dean Sletten, and Mark Peterson.

The meeting was called to order by Mr. Larson at 7:30 a.m.

The Secretary's Report was presented by Mr. Bruschwein. Mr. Goetz moved to approve the minutes of the May 19, 2015 Board Meeting. Mr. Hesch seconded and the motion passed.

Mr. Wavra presented the Treasurer's Report. As of October 5, 2015, the section had income of \$18,339.93 and expenses of \$19,752.80. This leaves an overall loss for 2015 of \$1,412.87. The section has \$34,800.17 in the checking and money market accounts. The section also has \$84,393.14 in student support endowments and reserve accounts. Mr. Berg moved to accept the Treasurer's report. Mr. Goetz seconded and the motion carried.

Committee Reports

WUC

Mr. Peterson reported the WUC participated in the Washington D.C. Fly-In. Attendees from the Section were Deon Stockert and Mark Peterson. There will be a WUC committee meeting after the Joint Board Meeting.

WFP

Mr. Bruschwein reported that committee is doing raffle tickets and golf sponsorship again this fall. The golf sponsorship already broke last year's record of \$7,000 and is approaching \$8,000.

Membership

Mr. Sletten reported the Section is at 245 members and we are in the middle of the membership campaign.

Combined Education and Research Committee/YP/Student - Ms. Quinn

Ms. Quinn covered the committee activities for the conference.

The NDSU chapter won their competition at WEFTEC! So congratulations went out to the team. The 2016 Surface Water Workshop will be April 26, 27 and 28 of 2016 at the Holiday Inn. The call for papers ends the week of October 15, 2015.

The E&R committee held a meeting on October 5, 2015. She had two books for give-away and was looking for suggestions as the best way to use them and also if the Section should get some 'Small Systems Handbooks' to give away.

Director's Report

The Director's Report was published in the Conference Issue of the Official Bulletin. Mr. Paustian did highlight the 'Value of Water' campaign; a new office is now open in India; and the 'Day Without Water' campaign. He then introduced Mr. Warner Palermo, AWWA Vice-President. Mr. Palermo talked about how AWWA will again partner with RCAP to do training in 2016. He also explained the 'New Water Equation' which bundled AWWA's new activities of scholarships, the new office in India, and the Community Engineering Corps. He also mentioned that AWWA is considering redoing the membership structure.

Old Business

Mr. Paustian covered the 2016 RMSO. The local arrangements committee is recommending having a Friday night activity of curling and catering in a meal for the supper. A location is being sought at for an informal get-together the night before the meeting. AWWA has made arrangements with the Radisson Inn for April 21, 22, 23 of 2016 as the meeting dates.

Mr. Wavra reported the operator training sponsored by the EPA grant went very well. There were about 20 people in attendance, including many new operators that started since spring operator training.

Ms. Quinn reported AWWA/RCAP has been awarded the same grant for 2016. Mr. Paustian moved that the Section again host this training in 2016. Mr. Goetz seconded the motion and the motion passed.

There was discussion on how to fill the Secretary/Treasurer position. Mr. Bruschwein said he would stay on until a method for handling the position had been determined. Mr. Bruschwein thanked Mr. Wellman for helping get ready for the conference.

There was no other old business.

New Business

The possibility of having a strategic planning session was discussed. Consensus is that 2016 is a bad year considering that we will host the RMSO and Surface Water Workshop. However it was felt that it should be considered for 2017.

Considering the amount of activity still happening in 2015, a 2016 budget has not been prepared yet. A budget will be prepared and emailed out before the next board meeting.

Mr. Goetz moved to adjourn the meeting. Mr Paustian seconded the motion and meeting adjourned at 8:52 a.m.

Respectfully submitted,

David Bruschwein
Secretary- Treasurer

AWWA Director's Report

By: Tim Paustian, PE

What is the value of water? It's an interesting question, and depending on what part of the world you live in, it can have many different answers. If you are from California and experiencing a severe drought, it is very valuable. If you live in India and only have access to water for a few hours each day, it is also very valuable. If you are experience a wet cycle and flooding, it may not

appear to be as valuable.

There's an old story that goes something like this:

Two young fish are swimming along and pass by and older fish going the other way. The older fish looks at them and says "Howdy, how's the water?" The two young fish continue along until one of them looks at the other and says "What the hell is water?"

I think the point of the story is that sometimes we don't realize how important some of the things in our lives are. As water professionals we see, think, and talk about the value of water every day. We realize what an integral part of our lives this resource is. However, this value is oftentimes lost with the consumers. They don't realize what it takes to provide clean, safe, and reliable water each and every day. It is, therefore, our job to communicate to them the value of water.

To assist in this effort, the American Water Works Association, along with several other associations and private entities formed The Value of Water Coalition in 2012. Their broad objective was to 'educate and raise public awareness around the value of water and the water industry, with an eye toward advancing the results of activities by individual Value of Water Coalition members that seek to increase investment in and support of water

infrastructure'. If you're like me, your eyes kind of glazed over when you read that objective. Basically, the goal is to increase the understanding and appreciation about the value of water in the hopes that it will cause additional investment in infrastructure.

To meet this goal, the Coalition identified three objectives that had to be met:

- We need to meet our member's needs.
- We need to be able to explain value to our membership.
- We need a toolkit that works for our members.

It has been a lengthy process, but materials are now available at www.thevalueofwater.org to help communicate the value of water. This website includes resources, reports, multimedia presentations, blog postings, and much more. There is also a media kit available for download. I invite all of you to check it out. It includes advertisement, bill stuffers, banners, social media ads, and much more.

We need to lead the way when it comes to driving support for this campaign. We need everyone to realize that water is a fundamental part of economic strength and well-being and that valuing water is essential to our quality of life. Ultimately, when the value of water is understood, it will drive support for sustainable water strategies and investment in water infrastructure. We owe this to future generations.

Timothy J. Paustian, PE
Director – North Dakota Section of AWWA

COUNT ON US

In the waterworks business, time means money. At Ferguson, we understand this fact and want to ensure you meet your schedule by providing you the largest inventory in the region:

- Water & Sewer Distribution Products
- Water Meter Systems
- Storm Water Systems
- Rural Water Systems
- Treatment Plant Pipe & Valves
- Polyethylene Pipe & Fusion Equipment
- Pressure Sewer Systems
- On-Site Septic Systems
- Irrigation Systems
- Locators & Safety Equipment
- Geosynthetic Products
- Erosion Control Products

You can COUNT ON Ferguson Waterworks to provide you what you need.

George Warren Fuller Award Winner

Duane Friesz after receiving the George Warren Fuller Award.

Duane Friesz is the 2015 recipient of the American Water Works Association's (AWWA) George Warren Fuller Award. Duane works as the Water Treatment Plant Superintendent for the City of Mandan. The award is presented annually to an AWWA member for his/her distinguished service to the water supply field in commemoration of the skill and constructive leadership which characterized the life of George Warren Fuller. Duane served as a Section Trustee and Chair as well as being instrumental in running the Section Water Utility Council, and the Education and Research Committee.

Operator Meritorious Award Winner

Leo Murr and his wife Diane after receiving the 2015 Operator Meritorious Award.

Leo Murr, Superintendent of the Wahpeton Water Treatment Plant, is the recipient of the 2015 American Water Works Association Operator's Meritorious Service Award and has been in the water industry since 1999. Over the years he worked his way up from meter reader to superintendent by maintaining excellent quality and operations in the water department and beyond. He has:

- maintained continuous compliance with public health standards in finished water,
- ensured efficient operation and maintenance of equipment,
- modernized when appropriate to improve efficiency and effectiveness of treatment,
- trained co-workers,
- maintained consistent operation of distribution lines, pump stations and reservoirs, and
- has gone above and beyond the call of duty to benefit his community.

Leo has been instrumental in many improvements, including upgrades to the telemetry system, implementing an Operation and Maintenance Program, implementing a new radio read water meter system, and numerous improvements of equipment and efficiencies at the water treatment plant.

He takes great pride in his community and often goes beyond the responsibility of the Water Department, and puts out a quality product and exceptional service on a continual basis.

Leo is married to Diane, is the proud father of four children and four grandchildren.

NDWPCC 2015 Resolutions

RESOLUTION

WHEREAS, the city of Bismarck through their Officials and Local Arrangements Committee has gone to considerable work and effort in making this Joint Meeting with the North Dakota Chapter of the American Public Works Association, the North Dakota Water Environment Association, the North Dakota Section of the American Water Works Association, and the North Dakota Chapter of the North American Stormwater and Erosion Control Association not only a successful one, but an enjoyable one, especially through the spirit of welcome and friendliness shown, the splendid hospitality, banquet, and other arrangements:

NOW THEREFORE, BE IT RESOLVED, that the 87th Annual Conference of the North Dakota Water and Pollution Control Conference, the 56th Annual Conference of the North Dakota Water Environment Association, the 60th Annual Conference of the North Dakota Chapter of the American Public Works Association, the 25th Annual Conference of the North Dakota Section of the American Water Works Association, and the 3rd Annual Conference of the North Dakota Chapter of the North American Stormwater and Erosion Control Association here assembled, do express their heartfelt thanks and appreciation to the following individuals who have contributed toward making the Joint Meeting a success:

Keith Demke
Jeff Heintz
Jeron Fueller
Darin Schaeffer
Mike Berg

Mel Bullinger
Bill Gefroh
Alison Nybo
Sarah Volk
Steve Himmelspach

Dated at Bismarck, North Dakota, this 8th day of October 2015.

Secretary/Treasurer
Mike Brisben

RESOLUTION

WHEREAS, considerable time is expended by the Municipal Facilities and Water Quality Divisions of the North Dakota Department of Health in furthering Conference development, aims, and purposes;

NOW, THEREFORE, BE IT RESOLVED that the 87th Annual Conference of the North Dakota Water and Pollution Control Conference, the 56th Annual Conference of the North Dakota Water Environment Association, the 60th Annual Conference of the North Dakota Chapter of the American Public Works Association, the 25th Annual Conference of the North Dakota Section of the American Water Works Association, and the 3rd Annual Conference of the North Dakota Chapter of the North American Stormwater and Erosion Control Association here assembled, do express their heartfelt thanks and appreciation to the North Dakota Department of Health for the work that has been done, and especially to the Municipal Facilities and Water Quality Divisions for furthering the activities of the Conference, for their work on the Official Bulletin, and for their assistance in organizing the Water and Wastewater Operators' Training Sessions each year.

Dated at Bismarck, North Dakota, this 8th day of October 2015.

Secretary/Treasurer
Mike Brisben

RESOLUTION

WHEREAS, the North Dakota Water and Pollution Control Conference in its annual business meeting recognizes that the Water and Wastewater Operators' Training Sessions sponsored jointly by the Conference, the North Dakota Water Environment Association, the North Dakota Chapter of the American Public Works Association, the North Dakota Section of the American Water Works Association, and the North Dakota Department of Health were very successful and were of benefit to those attending and that the sponsoring organizations are desirous of continuing these training sessions;

NOW, THEREFORE, BE IT RESOLVED that the 87th Annual Conference of the North Dakota Water and Pollution Control Conference, the 56th Annual Conference of the North Dakota Water Environment Association, the 60th Annual Conference of the North Dakota Chapter of the American Public Works Association, the 25th Annual Conference of the North Dakota Section of American Water Works Association, and the 3rd Annual Conference of the North Dakota Chapter of the North American Stormwater and Erosion Control Association here assembled, do express their thanks and appreciation to the North Dakota Department of Health and the staff of its Municipal Facilities and Water Quality Divisions, who have contributed toward making these training sessions a success.

Dated at Bismarck, North Dakota, this 8th day of October 2015.

Secretary/Treasurer
Mike Brisben

RESOLUTION

WHEREAS, considerable time has been expended and expense incurred by Jim Lennington of Bartlett & West in his position as Associate Director of the North Dakota Water and Pollution Control Conference during the past year, and in making this Joint Meeting with the North Dakota Water Environment Association, the North Dakota Chapter of the American Public Works Association, the North Dakota Section of the American Water Works Association, and the North Dakota Chapter of the North American Stormwater and Erosion Control Association both a successful and enjoyable one;

NOW, THEREFORE, BE IT RESOLVED that the 87th Annual Conference of the North Dakota Water and Pollution Control Conference, the 56th Annual Conference of the North Dakota Water Environment Association, the 60th Annual Conference of the North Dakota Chapter of the American Public Works Association, the 25th Annual Conference of the North Dakota Section of the American Water Works Association, and the 3rd Annual Conference of the North Dakota Chapter of the North American Stormwater and Erosion Control Association here assembled, do express their heart felt thanks and appreciation to Jim and that the Secretary be instructed to forward to him a copy of this Resolution.

Dated at Bismarck, North Dakota, this 8th day of October 2015.

Secretary/Treasurer
Mike Brisben

BROCKWHITE

CONSTRUCTION MATERIALS

HELPING BUILD YOUR SUCCESS

ALTERNATIVES TO RIP RAP

Brock White is your source for new and innovative alternatives to Rip Rap to protect against erosion along shorelines, slopes, and anywhere where sediment is moved by water runoff.

FLEXAMAT

Flexamat consists of concrete shapes that are tied together with high strength geogrid, which enables vegetation to be established while remaining a permanent erosion control solution. Flexamat is capable of handling high flow water runoff. For more information, visit www.BrockWhite.com/Flexamat.

SCOURSTOP™

The ScourStop transition mat is designed with voids throughout the structure that allows vegetation growth while providing mechanical protection over highly erosive areas. Scourstop provides protection against much higher shear stress and velocities than rock rip rap. For more information, visit www.BrockWhite.com/Scourstop.

TURF REINFORCEMENT MATS

Brock White offers a variety of Turf Reinforcement Mats to stabilize erosive areas. We provide TRM's for both short-term and permanent erosion control, as well as High Performance TRM's for the most demanding erosion control applications.

Integrated Process Solutions, Inc.

Products

- Supervisory Control and Data Acquisition (SCADA) Systems
- Communication Systems (Radio, Cellular, Satellite, Hard-wired)
- UL Listed Control Panels
- Motor Control Centers
- Variable Frequency Drives
- Lift Stations
- Booster Stations
- Instrumentation

Services

- UL Control Panel and MCC Fabrication
- Industrial Networking
- PLC and HMI Programming
- Communication System Studies
- Instrument Commissioning and Calibration/Maintenance
- Licensed Professional Engineers in Minnesota, North Dakota and Wisconsin
- Site Supervision, Commissioning and Sustaining Support
- Turn-key Project Delivery and Professional Services
- 24-Hour Emergency Support

We are a full-service professional integration firm, specializing in industrial automation and controls for water and wastewater industries.

OFFICIAL BULLETIN, October-December 2014

**Engineering
America**

A 100% Employee-Owned Company

From Concept & Construction To Completion & Beyond

Engineering America Provides a One-Source Solution For Your Unique Storage Tank Application.

Our bolted tank design is the preferred dependable, versatile and **cost-effective** choice in wastewater treatment storage. Single-use applications range from stormwater runoff storage, equalization and trickling filters to sludge storage/mixing.

We've been building our tanks in North Dakota since 1980.

We know the state of North Dakota and the state of North Dakota knows us.

Dickinson, North Dakota

Best Tasting Water in North Dakota Winner

Congratulations!

(Oct. 9, 2015) Valley City has the best tasting tap water in North Dakota. Valley City's H2O beat out samples from Bismarck, Fargo, Grand Forks, Lisbon, Mayville, and Wahpeton during the Drinking Water Taste Test at the 87th annual North Dakota Water & Pollution Control Conference in Bismarck.

Conference is a joint effort of the North Dakota Section of the AWWA, North Dakota Section of the Water Environment Association (WEA), North Dakota Section of the American Public Works Association (APWA), and North Dakota Chapter of the North American Stormwater & Erosion Control Association (NASECA).

Wade Hesch of Valley City being congratulated by Meredith Quinn.

Conference attendees selected Bismarck, Mayville, and Valley City as the top three contenders in a blind taste test. Warner Palermo, Vice President of the American Water Works Association (AWWA); Eileen O'Neil, Executive Director of the Water Environment Federation (WEF); and Scott Hennen, The Flag radio talk show host of "What's on Your Mind".

The ND chapter of the AWWA puts on the Drinking Water Taste Test during the North Dakota Water and Pollution Control Conference each year. Past winners include Fargo (2014), Medina (2013), Mayville (2012), Fargo (2011), Mayville (2010), Valley City (2009), Enderlin (2008), Grand Forks (2007), and Minot (2006). The North Dakota Water & Pollution Control

When It Comes To Waterworks, There Can Be A Lot Of Pressure.

To succeed, you need a partner that makes your job easier. With DSG and Fargo Water Equipment, you get more than just pipe and products:

A Wider Distribution Network – With waterworks warehouse locations in Fargo, Sioux Falls, Rapid City and Bismarck, we can provide products where and when you need them.

The Most Experienced Waterworks Team In The Midwest – Our crew specializes in combining experience and innovation to offer you solutions for your challenging projects.

Whatever Your Situation, We Make Water Work – From water systems to industrial pumping applications, from storm water to metering, we're experienced and ready to make your job easier.

FLOW CONTROL DIVISION

Customer-focused, timely solutions, every time

Capabilities include:

- Expanded warehouse capacity
- Large volume of valve and actuator inventory
- Complete electric & pneumatic automation facility
- Ability to automate any brand or style of valve or gate
- Full field retrofit capability
- Custom valve adaption and extension fabrication
- Pipeline surge analysis
- Fully staffed field service department for start-up services, installation assistance and field troubleshooting/repair.

We are excited about our changes and are eager to share them with you!

Contact us today at (952) 941-2678 or valves@vessco.com
