For assistance with this North Dakota Login, contact the [Service Desk](#).

After logging in with your NDLogin, you will be asked to enter your current solid waste transporter permit number. If you have a permit that has expired or been terminated, you can use that number (see

item 1 in screen shot below). to apply for a new permit. If you do not have permit number you can apply for a new permit (See item 2 in screen shot below) and a new permit number will be assigned.

For users that have an existing permit, a page will open which gives options for actions that can be taken: This includes: 1. Apply for a Permit (if an old permit has expired or been terminated); 2. Request a Modification; 3. Renew Permit; 4. Pay an Annual Fee; or 5. Update Contact Information. This page will also display the current facility information for the selected permit number.
