

# PLEASANT TOWNSHIP ZONING ORDINANCE

C

R

A

WHEREAS, the Pleasant Township Board of Supervisors in conjunction with the Pleasant Township Zoning Commission, composed of members from the affected areas, have investigated and determined the necessity of amending the "Pleasant Township Zoning Ordinance"; and

WHEREAS, after investigation and consultation with the Cass County Planning Department, the Pleasant Township Zoning Commission has prepared an amended "Pleasant Township Zoning Ordinance" to be submitted herewith to the Pleasant Township Board of Supervisors and filed in the office of the Pleasant Township Clerk and the Cass County Planning Department; and

WHEREAS, after filing of the proposed amended "Pleasant Township Zoning Ordinance", the Pleasant Township Zoning Commission held a public hearing thereon at which the proposed amendments were submitted for discussion, and parties in interest and citizens had an opportunity to be heard. Notice of the time, place, and purpose of the hearing was published fifteen days prior to the hearing in the official newspaper of the County. Said notice described the nature, scope, and purpose of the proposed rules and regulations, and stated the times at which it would be available to the public for inspection and copying at the office of the Cass County Planning Department; and

WHEREAS, the Pleasant Township Zoning Commission has approved this draft of the amended "Pleasant Township Zoning Ordinance" and recommends it be adopted by the Pleasant Township Board of Supervisors.

NOW, THEREFORE, BE IT RESOLVED that the Pleasant Township Board of Supervisors hereby adopts the amended "Pleasant Township Zoning Ordinance".

Approved and adopted this 10<sup>d</sup> day of June, 1991.

Certificate Required

I. Certificate of Zoning Compliance: No building or other structure shall be erected, moved, added to or structurally altered without a certificate issued by the Zoning Administrator. No certificate shall be issued except in conformity with the provisions of this Ordinance except after written order from the Township Board of Supervisors.

1. Permitted Use:

A. Applications: All applications for certificates shall be accompanied by site plans and estimated costs. The site plans shall be drawn to scale, showing the actual dimensions and shape of the lot to be built upon; the exact sizes and locations on the lot of buildings already existing, if any; and the location and dimensions of the proposed building or alteration. The application shall include such other information as lawfully may be required by the Zoning Administrator, including existing or proposed building or alteration; existing or proposed uses of the building and land; existing or proposed parking; the number of families, housekeeping units, or rental units the building is designed to accommodate; conditions existing on the lot; and such other matters as may be necessary to determine conformance with and provide for the enforcement of this Ordinance.

B. Expiration: If the work described in any certificate has

described in the certificate is not completed within twenty-four (24) months said certificate shall expire. Time limitations cited above shall also apply to accessory buildings. The Zoning Administrator may grant a reasonable extension subject to the demonstration of a hardship condition. If canceled by the Zoning Administrator, a written notice thereof shall be given to the persons affected, together with notice that further work as described in the canceled certificate shall not proceed unless and until a new certificate has been obtained.

- C. Construction and Use to be as Provided in Applications, Plans, and Certificate: Certificates issued on the basis of plans and applications approved by the Zoning Administrator authorize only the use, arrangement, and construction set forth in such approved plans and applications, and no other use, arrangement, or construction. Use, arrangement, or construction at variance with that authorized shall be a violation of this Ordinance.
- D. Septic Permit Condition to Certificate: When, for any use, a private sewer system will be used, a septic permit from the Environmental Health Office of the Community Health Dept. of the City of Fargo will be required before any certificate is issued.
- E. Building Standards: All structures or buildings shall conform to the requirements of the Uniform Building Code and amendments thereto adopted by the state of North Dakota.
- F. Electrical Standards: All structures or buildings shall have electrical installations which conform with the requirements of the National Electrical Code and amendments thereto adopted by the state of North Dakota.

2. Conditional Use:

- A. Applications: All applications for conditional use certificates shall be accompanied by site plans. The site plans shall be drawn to scale, showing the actual dimensions and shape of the lot to be built upon; the exact sizes and locations on the lot of buildings already existing, if any; and the location and dimensions of the proposed building or alteration. The application shall include such other information as lawfully may be required

the number of families, housekeeping units, or rental units the building is designed to accommodate; conditions existing on the lot; and such other matters as may be necessary to determine conformance with and provide for the enforcement of this Ordinance.

- B. Conditions May Be Imposed: If the Township Board grants the conditional use, the Board may impose such conditions, including time limits, as may be deemed necessary for or appropriate to serve the purposes of the Comprehensive Plan, the Zoning Ordinance and to protect the public health, safety and welfare.
- C. Criteria for Approval: No conditional use shall be granted unless the Township Board finds the following:
  - 1. The use will not create an excessive burden on parks, schools, streets, and other public facilities and utilities which serve or are proposed to service the area.
  - 2. The use will be sufficiently compatible or separated by distance or screening from adjacent residentially zoned or used land.
  - 3. The structure and site shall have an appearance that will not have any adverse effect upon adjacent residential properties.
  - 4. The use in the opinion of the Township Board is reasonably related to the existing and projected land use of the Township.
  - 5. The use is consistent with the purposes of the Zoning Ordinance and the purposes of the zoning district in which the applicant intends to locate the proposed use.
  - 6. The use is not in conflict with the Comprehensive Plan of the Township.
- D. Public Hearing: When considering an application for a conditional use, the Zoning Commission shall hold a public hearing. At least fifteen (15) days prior to the date of hearing, notice of the purpose, time and place of such hearing shall be published in the official newspaper of Cass County.
- E. Order a Certificate be Issued: If the Township Board of Supervisors approve the conditional use application, the

certificate of zoning compliance.

- F. Expiration: Where applicable, unless otherwise specified by the Board at the time it is authorized, a conditional use shall expire if the applicant fails to utilize such conditional use within one (1) year from the date of its authorization.

No application for a conditional use of a particular piece of property shall be accepted more than once in any twelve (12) month period except.

- G. Construction and Use to be as Provided in Applications, Plans, and Certificate: Certificates issued on the basis of plans and applications approved by the Township Board of Supervisors authorize only the use, arrangement, and construction set forth in such approved plans and applications, and no other use, arrangement, or construction. Use, arrangement, or construction at variance with that authorized shall be a violation of this Ordinance.

- H. Septic Permit Condition to Certificate: When, for any use, a private sewer system will be used, a septic permit from the Environmental Health Office of the Community Health Dept. of the City of Fargo will be required before any certificate is issued.

- I. Building Standards: All structures or buildings shall conform to the requirements of the Uniform Building Code and amendments thereto adopted by the state of North Dakota.

- J. Electrical Standards: All structures or buildings shall have electrical installations which conform with the requirements of the National Electrical Code and amendments thereto adopted by the state of North Dakota.

3. Variance: As used in this ordinance, a variance is authorized only for height, area, or size of structures or yards.

- A. Application: All applications for Variances shall be accompanied by site plans. The site plans shall be drawn to scale, showing the actual dimensions and shape of the lot to be built upon; the exact sizes and locations on the lot of buildings already existing, if any; and the location and dimensions of the proposed building or alteration. The application shall include such other

land; existing or proposed parking; the number of families, housekeeping units, or rental units the building is designed to accommodate; conditions existing on the lot; and such other matters as may be necessary to determine conformance with and provide for the enforcement of this Ordinance.

- B. Conditions May Be Imposed: If the Township Board grants the variance, the Board may impose such conditions, including time limits, as may be deemed necessary for or appropriate to serve the purposes of the Comprehensive Plan, the Zoning Ordinance and to protect the public health, safety and welfare.
- C. Criteria for Approval: No variance shall be granted unless the Township Board finds the following:
  - 1. That there are exceptional or extraordinary circumstances applying to the property in question or to the intended use of the property that do not apply generally to other properties or class or use in the same zoning district.
  - 2. That such variance is necessary for the preservation and enjoyment of a substantial property right possessed by other properties in the same zoning district and in the vicinity.
  - 3. That the authorization of such variance will not be of substantial detriment to adjacent property and will not materially impair the purpose of the ordinance or the public interest.
  - 4. The owner cannot otherwise obtain a reasonable return on this property.
  - 5. The hardship is not self-created.
  - 6. The variance request is the minimum necessary to permit a reasonable use of the land.
- D. Public Hearing: When considering an application for a variance, the Zoning Commission shall hold a public hearing. At least fifteen (15) days prior to the date of hearing, notice of the purpose, time and place of such hearing shall be published in the official newspaper of Cass County.
- E. Order a Certificate be Issued: If the Township Board of

- F. Expiration: Where applicable, unless otherwise specified by the Board at the time it is authorized, a variance shall expire if the applicant fails to utilize such variance within one (1) year from the date of its authorization.

No application for a variance of a particular piece of property shall be accepted more than once in any twelve (12) month period.

- G. Construction and Use to be as Provided in Applications, Plans, and Certificate: Certificates issued on the basis of plans and applications approved by the Township Board of Supervisors authorize only the use, arrangement, and construction set forth in such approved plans and applications, and no other use, arrangement, or construction. Use, arrangement, or construction at variance with that authorized shall be a violation of this Ordinance.

##### Administration and Enforcement

- I. Zoning Administrator: A person shall be appointed by the Township Board of Supervisors to administrate and enforce this ordinance. The person appointed shall be known as the "Zoning Administrator". He may be provided with the assistance of such other persons as the Township Board of Supervisors may direct.

Duties of the Zoning Administrator shall include:

4. Transmit to the Zoning Commission all applications for appeals, variances, conditional use certificates, and all applications for amendments.

II. Zoning Commission: A Zoning Commission shall be appointed with the membership composed of the three Township Supervisors and two persons appointed from the municipality in the Township.

The duties of the Zoning Commission shall be:

1. Recommend the establishment of plans, rules, regulations, and procedures for the purpose of administering this ordinance.
2. Assist the Zoning Administrator in conducting inspection of land uses and administering this ordinance.
3. Hear and forward recommendations on appeals where it is adjudged by the applicant that an error in judgement has been made by the Zoning Administrator.

A. Procedure:

- i. Any person aggrieved by any order of determination of the Zoning Administrator may within 60 days of such action petition the Zoning Commission for a hearing. Such appeal shall be in writing and shall specify in detail the grounds for the appeal. The appeal shall be filed with the Zoning Administrator.
- ii. Within 30 days of filing, the Zoning Commission shall fix a date for a hearing.
- iii. Notice in writing shall be given to the petitioner at least 5 days prior to the hearing.
- iv. Within 15 days after the hearing, the Zoning Commission shall take action and shall mail by registered mail a copy of its order to the petitioner.
- v. If the petitioner is aggrieved by the determination of the Zoning Commission, the petitioner may petition the Township Board of Supervisors for a hearing.
- vi. The procedure followed by the Zoning Commission shall be followed by the Township Board of Supervisors in hearing the appeal petition.
- vii. If the petitioner is aggrieved by the determination of the Township Board of Supervisors, the petitioner may make an appeal to the Cass County District Court. This appeal must be taken in accordance with the procedure provided in Section 28-34-01 of the North Dakota Century Code.
