Re: Air Pollution Control
Draft Permit to Construct No. ACP-18155 v1.0

Dear Mr. Vande Bossche,

Pursuant to the Air Pollution Control Rules of the State of North Dakota, the Department of Environmental Quality has reviewed the permit application dated August 4, 2022, and subsequent update received on February 15, 2023, to obtain a Permit to Construct for initial construction and operation of the ONEOK Rockies Midstream, L.L.C. – Pronghorn Compressor Station to be located in Dunn County, North Dakota.

Before making final determination on the draft Permit to Construct, the Department must solicit public comment by means of the enclosed public notice. As indicated in the notice, the public comment period will begin on March 2, 2023, and end on April 1, 2023. The Department's analysis and a draft copy of the Permit to Construct may be found at <https://deq.nd.gov/AQ/PublicCom.aspx>. The documents will be posted on or before March 2, 2023.

All comments received will be considered in the final determination concerning issuance of the permit. You will be notified in writing of our final determination.

If you have any questions, please contact me at (701)328-5229 or destroh@nd.gov.

Sincerely,

David Stroh
Environmental Engineer
Division of Air Quality

NOTICE OF INTENT TO ISSUE AN
AIR POLLUTION CONTROL
PERMIT TO CONSTRUCT

Take notice that the North Dakota Department of Environmental Quality (NDDEQ) proposes to issue an Air Pollution Control Permit to Construct to ONEOK Rockies Midstream, L.L.C. in accordance with the North Dakota Air Pollution Control Rules. The proposed air pollution control permit is for initial construction and operation of the Pronghorn Compressor Station to be located in Dunn County, North Dakota.

Preliminary evaluations made by NDDEQ staff indicate that the proposed project will comply with all applicable Air Pollution Control Rules and is protective of human health and the environment.

A 30-day public comment period for the proposed permit to construct will begin March 2, 2023, and end on April 1, 2023. Direct comments in writing, including Re: Public Comment Permit Number ACP-18165 v1.0, to AirQuality@nd.gov or the NDDEQ, Division of Air Quality, 4201 Normandy Street, 2nd Floor, Bismarck, ND 58503-1324. Emailed comments will only be considered if sent to the email address above. Comments sent to any other email address **will not** be considered. Comments must be received by 11:59 p.m. central time on the last day of the public comment period to be considered in the final permit determination.

A public meeting regarding issuance of the Permit to Construct will be held if a significant degree of public interest exists as determined by NDDEQ. Requests for a public meeting must be received in writing by NDDEQ before the end of the public comment period. The application, NDDEQ analysis and draft permit are available for review at the above address and on-line at <http://deq.nd.gov/AQ/PublicCom.aspx>. A copy of these documents may be obtained by writing to the Division of Air Quality or contacting David Stroh at (701)328-5229 or by email at dstroh@nd.gov.

The NDDEQ will consider every request for reasonable accommodation to provide an accessible meeting facility or other accommodation for people with disabilities, language interpretation for people with limited English proficiency (LEP), and translations of written material necessary to access programs and information. To request accommodations, contact Jennifer Skjod, Acting Non-discrimination Coordinator at 701-328-5226 or jskjod@nd.gov. TTY users may use Relay North Dakota at 711 or 1-800-366-6888.

Dated this 21st day of February 2023

James L. Semerad
Director
Division of Air Quality
